### About me

I have 2 children and I have a passion for all things outdoors and love animals! I have two dogs Penny and Maggie and a horse called Jasper. I have worked in early years for around 10 years with my most recent, and favourite role being a childminder. I joined Together for Children in 2023, I love my role and I feel very lucky to be part of such an amazing team!

### What I can do

- I provide advice and guidance to childminders, nurseries, early years in schools and out of school clubs
- I can complete audits around funding, safeguarding and teaching and learning
- I can support providers to prepare for Ofsted
- I deliver statutory training and briefing sessions and bespoke training
- I can offer support regarding the provider portal and can help with any funding queries
- I can help with any general questions, queries and support
- I run childminder playgroups within the family hubs and outdoor play groups
- I'll always try my best to support settings and answer any other queries you have!

### What I have done

- I have been a children's centre volunteer where I enjoyed helping families in the community and supporting children from disadvantaged backgrounds
- I worked with reception children in a local primary school as a Teaching Assistant
- I have worked as a support worker in a daycare / support centre for adults with disabilities
- I have worked as a childminder's assistant
- As my passion for early years and childminding grew, I registered as a childminder where I grew my own Outstanding provision
- Through my various roles I have several experiences of Ofsted inspections. I feel passionate about supporting providers through this process
